1. We are each citizens of Japan with the addresses as stated below next to our respective names.
2. We have reviewed and understand the contents of the specification, including the claims, as amended by the amendments set forth in this reissue application.
3. We believe that we are the first and original inventors of the invention described and claimed in the reissue application and in U.S. Letters Patent No. 5,760,485, which issued from U.S. Patent Application No. 08/600,991, which in turn was the U.S. National Stage of PCT Application No. PCT/JP94/02166 filed December 19, 1994.

7. All errors being corrected in this reissue application up to the time of filing this declaration arose without any deceptive intention on our part.
